

CROISSANT

CROISSANT

CROISSANT

DESCRIPTION

The Croissant offers an elegant geometric design with a unique and lively character. This versatile product comes in two sizes, making it suitable for shutters, drawers, cabinets and doors. With its playful, distinctive look, the Croissant can enhance and bring joy to intimate and industrial interiors alike.

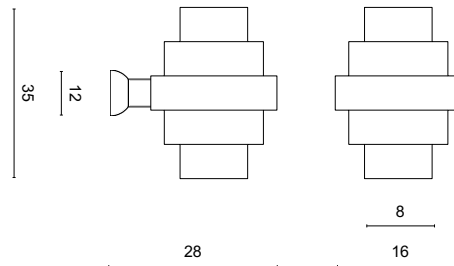

Each item sold individually

Screws included

DIMENSIONS: Small

H 35mm

W 16mm

MATERIALS

The Croissant is first carved from timber. The timber is then wax cast and hand poured in bronze.

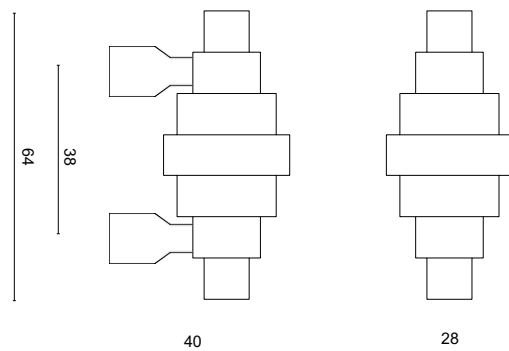

CARE

Due to the hand-made nature of the handle, each item may vary slightly in texture and colouring. Over time it will develop a natural patina. This can be restored to its original state by polishing.

DIMENSIONS: Large

H 64mm

W 28mm

FINISHES

Blackened bronze

Distressed bronze

Natural bronze

EGG

EGG

EGG

DESCRIPTION

The Egg is a smooth, minimal cabinet knob brimming with texture and character. Available in a range of finishes, the Egg is designed to enhance interiors from modern to antique, and everything in between. This petite knob is perfect for affixing to shutters, drawers and cabinets.
