## ENTRANCE HANDLE

The CYRUS handle is known by its friends as a feircly loyal and stable companion. In the handles youth, it was perhaps plagued by a lack of confidence, however time has proved most affirming. The CYRUS has grown into a friend who has an unrelenting ability for sustaining others, particularly those that reach out

## JOINERY PULLS

If a joinery pull cast in bronze by the Romans washed ashore on a glinting pebbled beach in Sicily , it would undoubtedly look exactly like the MESSINA coat hook. Cast in bronze, the easygoing MESSINA is happy just as it is; relaxed and unconcerned with trivial matters of life.
