

REFLECTOR PENDANT ROUND

Light is cast onto a floating reflector, washing the room with a soft indirect light.

Made from precisely machined aluminium components, the reflector is then finished in a super matte powder coat or clear anodised.

The other parts are finished in a tactile anodised coat, revealing the grain of the aluminium beneath the surface.

WARRANTY	12 Months	VOLTAGE	24V
MOUNTING	Ceiling	POWER	20W (700 Dia), 15W (500 Dia) 12V
WEIGHT	2.7kg (700 Dia), 1.7kg (500 Dia)	CORD	Black fabric covered
