

V.BROKKR

NEMES LARGE

NEMES LARGE

MATERIALS:

Stainless Steel, Brass

FINISHES:

Stainless Steel and Patina Brass

DIMENSIONS:

25W x 850H x 80D mm

WEIGHT:

Approx 1.5 kg

LEAD TIME:

6-8 weeks

INSTALLATION:

2 no. M8 Screw

Drill a 8mm clearance hole, cut into desired length and install using the M8 snap off screw included in the package.

CARE INSTRUCTIONS:

The metals used for our range oxidize with age and environment, both of which contribute to the evolution of a natural patina. Avoid harsh cleaning solvents and abrasives. Each object is handmade so slight variations will occur from one individual piece to another.

CUSTOMISATION:

Varied lengths upon request.

Back to back upon request.

Customisations will attract additional costs.
