Artisanal Linen with a Bold Character

Introducing Leon, a heavy, pure linen that embodies exceptional craftsmanship. Made from natural flax, this fabric showcases stunning weaving techniques, complemented by a unique patina and stonewash finish that softens its robust appearance.

Leon drapes beautifully as curtains—though it requires skilled machines and a passionate seamstress to bring out its full potential. It's equally striking for upholstery and decorative accents, and it makes a fantastic loose cover!

Versatile enough for both modern and classic interiors, Leon adds a distinctive, rugged touch to any space, making it the perfect choice for those who appreciate character and artistry in their decor.

Sustainability:

At LF Trading, we are committed to sustainability and ethical practices in the textile industry. Our focus is on providing high-quality fabrics that meet the stringent standards of Oeko-Tex and Masters of Linen certifications.

We specialize in linen and hemp fabrics, two of the most sustainable materials available. Both linen and hemp are not only biodegradable but also require less water and pesticides compared to conventional crops, making them an eco-friendly choice.

Our zero waste philosophy drives us to minimize waste at every stage of the production process. We believe that every scrap of fabric has value. That's why we creatively repurpose leftovers into beautiful accessories and other products, turning potential waste into new opportunities.

Join us in our mission to promote environmentally conscious textiles that do not compromise on quality or style. Together, we can make a positive impact on our planet.
