

MOON LANTERN

OBJECT SPECIFICATION

TITLE	MOON LANTERN	DESIGN BY	LOUISE ROE & MENTZE OTTENSTEIN	COUNTRY OF ORIGIN	PORTUGAL
-------	--------------	-----------	-----------------------------------	-------------------	----------

[illegible]

The Moon Lantern marks a new chapter in the LOUISE ROE collection - the very first collaborative design, created in partnership between Louise Roe Andersen and the Copenhagen-based design duo Mentze Ottenstein. More than a fixture, the piece is a sculptural composition: a wall-mounted form where material and light meet in quiet balance.
